

Palentine, here's a list of what I, *(as well as Rick Astely)*,
would never do to you! <3

Give you up, Let you down
Run around, Desert you
Make you cry, Say goodbye
Tell a lie, Hurt you

In all seriousness, here's a list of all that I adore about you! ^-

^

The way you order your coffee,
How you always smell like cinnamon,
The flush of your cheeks in the snow,
But your hazel eyes are what always make me weak in
the knees.

*P.S. Happy start to Aromantic Awareness Week! Wishing all my fellows
Aros a happy week! ^o^*
